

PATRIOT

70-250W | Area Light

The Patriot (PAT) is a low-profile, modern-appeal Area luminaire that blends seamlessly into the horizon. PAT uses the latest Philips technology on board including driver and LEDs. Clear Glass (G) lens is a popular option. Acrylic and silicone are optional Optics.

Patriot ranges from 70 to 250 Watts. The housing is made of 0.08 aluminum, making it one of the most durable fixtures on the market.
