

PATRIOT 1

300-600W | Area Light

The Patriot 1 (PAT1) is a low-profile, modern-appeal Area luminaire that blends seamlessly into the horizon. PAT1 uses the latest Philips technology on board including driver and LEDs. Clear Glass (G) lens is a popular option. Acrylic and silicone are optional Optics.

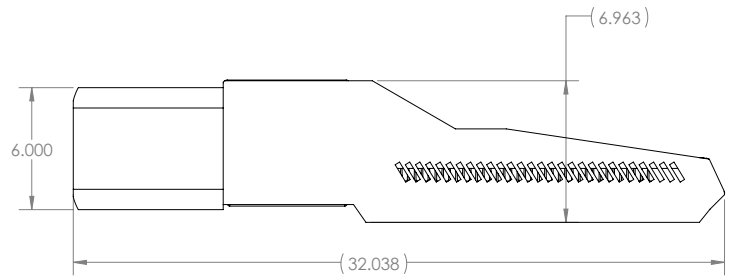

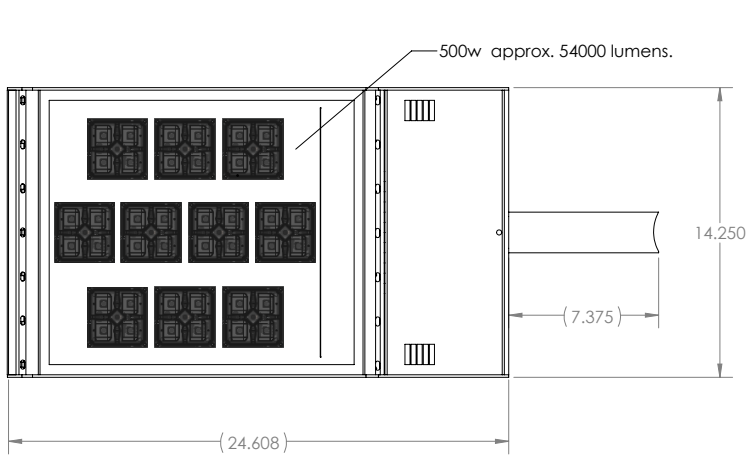

Patriot 1 ranges from 300 to 600 Watts. The housing is made of 0.08 aluminum, making it one of the most durable fixtures on the market.
